There are a few ways to make sure that you remember to keep your browser pointed to [smile.amazon.com](https://smile.amazon.com) (as opposed to regular old [amazon.com](https://amazon.com)):

1. For those with Amazon.com saved in your bookmarks, replace your current entry with [smile.amazon.com](https://smile.amazon.com); or
2. Install the [AmazonSmile 1Button](#). This little widget allows you to go directly to AmazonSmile when you shop. After you install the AmazonSmile 1Button, simply click on the icon from your browser to go directly to [smile.amazon.com](https://smile.amazon.com); or
3. For those using the Chrome browser, install [SmileAlways](#), a small browser extension that will automatically redirect you to the Amazon Smile homepage every time that you visit amazon.

### About AmazonSmile

AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when customers shop on AmazonSmile ([smile.amazon.com](https://smile.amazon.com)), the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organizations selected by customers. The AmazonSmile Foundation is a 501(c)(3) private foundation created by Amazon to administer the AmazonSmile program. All donation amounts generated by the AmazonSmile program are remitted to the AmazonSmile Foundation. In turn, the AmazonSmile Foundation donates those amounts to the charitable organizations selected by our customers. Amazon pays all expenses of the AmazonSmile Foundation; they are not deducted from the donation amounts generated by purchases on AmazonSmile.
